

ONLINE INVITATION

Journey of the RA/ Rheumatology Patient During COVID-19

LEARNING OBJECTIVES:

After this session, participants will be able to:

- Discuss with their patients the use of DMARDs, biologics, NSAIDs, and steroids during the COVID-19 pandemic
- Provide their patients with a course of action if they become infected
- Evaluate the use of hydroxychloroquine (HCQ) with rheumatology patients
- Evaluate the use of ibuprofen in infected patients

SPEAKER:

Janet Pope, MD, MPH, FRCPC

Dr. Janet Pope is a Professor of Medicine in the Division of Rheumatology, and also Epidemiology and Biostatistics at the University of Western Ontario, Schulich School of Medicine, London, Ontario, Canada. She is the Division Head in Rheumatology at St. Joseph's Health Centre, London.
