

Ontario

Rheumatology

2017

Curriculum

Who is eligible to participate?

All Health Care Providers in Ontario with an interest in Rheumatology can participate.

When does the ECHO sessions take place?

ECHO sessions run every Friday from 12:00PM to 2:00PM.

A typical ECHO Session:

- 12:00 - 12:05 Introductions, Announcements and Roll Call
- 12:05 - 1:00 Didactic Session from content experts
- 1:00 - 1:30 1st Case Presentation from participants
- 1:30 - 2:00 2nd Case Presentation from participants

How much does it cost to join?

- There are no cost or pre-requisites requirements.

What equipment do I need?

- A computer with a webcam and microphone and stable internet connection or
- An iOS/Android mobile device and phone connection for audio only.

How do I connect to the sessions?

- A free teleconference link will be sent to you on a weekly basis to connect.

When can I start?

- You can start attending sessions at any time.

What does participation look like in ECHO?

- Present patient cases and join in case discussions
- Participate in didactic discussion
- Complete pre and post questionnaire.

Learning Objectives

- To develop an approach to identifying inflammatory arthritis in order to:
 - Facilitate early referral and management
 - Optimize triage
- To develop an approach to the stable patient with inflammatory arthritis, including:
 - Identifying clinical, laboratory and radiographic features suggestive of disease flare/activity
 - Monitoring for side effects of commonly-used disease-modifying anti-rheumatic drugs (DMARDs)
 - Monitoring for disease and treatment-associated comorbidity

This Group Learning program has been certified by the College of Family Physicians of Canada and the Ontario Chapter for up to 28 Mainpro+ credits.

Our Interdisciplinary Hub Team

The interdisciplinary hub team at UHN consists of:

Rheumatologist
 Physiotherapy/ ACPAC
 Pharmacist
 Registered Nurse

ECHO Ontario Rheumatology Speakers

Amanda Steiman MD, MSC FRCPC
 Claire Bombardier, MD, FRCPC

Fax: 416-597-7032

How do I register?

Complete the registration form on our website.

You will then be contacted by an ECHO staff member to get set up for the sessions.

Funded by

How can I access my materials?

You will receive weekly emails with the agenda session materials and teleconference link.

How do I get my CME credits?

Each week, your name is recorded during the roll call. Your CME certificate is provided at the end of the cycle.

Project ECHO Ontario Rheumatology: 2017 Curriculum

Cycle 1

Jan 13, 2017 Session 1	Approach to the Patient with Peripheral Joint Pain Dr. Amanda Steiman
Jan 20, 2017 Session 2	Approach to the Patient with Back Pain Dr. Claire Bombardier
Jan 27, 2017 Session 3	Expanding your Differential Diagnosis Dr. Amanda Steiman
Feb 3, 2017 Session 4	When everything Hurts: Fibromyalgia? Dr. Claire Bombardier
Feb 10, 2017	No Session
Feb 17, 2017 Session 5	Rationalizing Lab Testing: How not to go Bananas Dr. Amanda Steiman
Feb 24, 2017 Session 6	Joint Exam and Injection Techniques Dr. Amanda Steiman
Mar 3, 2017 Session 7	Imaging: What, When Where, Why Dr. Arthur Bookman
Mar 10, 2017 Session 8	“Time is Joint”: Collaboration in early Inflammatory Arthritis Management Dr. Claire Bombardier
Mar 17, 2017 Session 9	Methotrexate and Conventional Disease Modifying Agents Carolyn Whiskin, RPh
Mar 24, 2017 Session 10	Biologic Disease—Modifying Agents Carolyn Whiskin, RPh
Mar 31, 2017 Session 11	Pharmacotherapeutic considerations in pregnancy, lactation and in patients trying to conceive Dr. Amanda Steiman
Apr 7, 2017 Session 12	Non-Pharmacologic Aspects of Management Mandy McGlynn, PT, ACPAC
Apr 14, 2017	No Session
Apr 21, 2017 Session 13	Managing Co-Morbidities of Inflammatory Arthritis Dr. Claire Bombardier

Cycle 2

Apr 28, 2017 Session 1	Approach to the Patient with Peripheral Joint Pain Dr. Amanda Steiman
May 5, 2017 Session 2	Approach to the Patient with Back Pain Dr. Claire Bombardier
May 12, 2017 Session 3	Expanding your Differential Diagnosis Dr. Amanda Steiman
May 19, 2017 Session 4	When everything Hurts: Fibromyalgia? Dr. Claire Bombardier
May 26, 2017 Session 5	Rationalizing Lab Testing: How not to go Bananas Dr. Amanda Steiman
Jun 2, 2017 Session 6	Joint Exam and Injection Techniques Dr. Amanda Steiman
Jun 9, 2017 Session 7	Imaging: What, When Where, Why Dr. Claire Bombardier
Jun 16, 2017	No Session
Jun 23, 2017 Session 8	“Time is Joint”: Collaboration in early Inflammatory Arthritis Management Dr. Claire Bombardier
Jun 30, 2017	No Session
Jul 7, 2017 Session 9	Methotrexate and Conventional Disease Modifying Agents Carolyn Whiskin, RPh
Jul 14, 2017 Session 10	Biologic Disease—Modifying Agents Carolyn Whiskin, RPh
Jul 21, 2017 Session 11	Pharmacotherapeutic considerations in pregnancy, lactation and in patients trying to conceive Dr. Amanda Steiman
Jul 28, 2017 Session 12	Non-Pharmacologic Aspects of Management Mandy McGlynn, PT, ACPAC
Aug 4, 2017	No Session
Aug 11, 2017 Session 13	Managing Co-Morbidities of Inflammatory Arthritis Dr. Claire Bombardier
Aug 18, 2017 Session 14	Participant Selected Topic TBD

Cycle 3

Sep 8, 2017 Session 1	Approach to the Patient with Peripheral Joint Pain Dr. Amanda Steiman
Sep 15, 2017 Session 2	Approach to the Patient with Back Pain Dr. Claire Bombardier
Sep 22, 2017 Session 3	Expanding your Differential Diagnosis Dr. Amanda Steiman
Sep 29, 2017 Session 4	When everything Hurts: Fibromyalgia? Dr. Claire Bombardier
Oct 6, 2017 Session 5	Rationalizing Lab Testing: How not to go Bananas Dr. Amanda Steiman
Oct 13, 2017 Session 6	Joint Exam and Injection Techniques Dr. Amanda Steiman
Oct 20, 2017 Session 7	Imaging: What, When Where, Why Dr. Claire Bombardier
Oct 27, 2017 Session 8	“Time is Joint”: Collaboration in early Inflammatory Arthritis Management Dr. Claire Bombardier
Nov 3, 2017	No Session
Nov 10, 2017 Session 9	Methotrexate and Conventional Disease Modifying Agents Carolyn Whiskin, RPh
Nov 17, 2017 Session 10	Biologic Disease—Modifying Agents Carolyn Whiskin, RPh
Nov 24, 2017 Session 11	Pharmacotherapeutic considerations in pregnancy, lactation and in patients trying to conceive Dr. Amanda Steiman
Dec 1, 2017 Session 12	Non-Pharmacologic Aspects of Management Mandy McGlynn, PT, ACPAC
Dec 8, 2017 Session 13	Managing Co-Morbidities of Inflammatory Arthritis Dr. Claire Bombardier
Dec 15, 2017 Session 14	Participant Selected Topic TBD
